What if this is a magic portal? Step through it and you might find yourself in another world.

Back

Don't worry. No matter where you end up, I'll always find a way to bring you back.

Back

I just added this song to my favorites. Thank you for contributin' to my end-of-year music report.

Back

I want to have a place in
every one of your "life's
moments."

Back

I realized something.
Whenever we make a bet,
you always waver when I
raise the stakes to a third
ice cream cone.

Back

It's not because of the ice cream. You always use your Evol to cheat when the stakes get that high.

Back

Even balloons need a place
to rest after flying all day.
Aaand we don't need to
search for it. Your hand is
perfect.

Back

What would happen if this sofa suddenly started flying?

Back

You *better* hold my hand.
Wait any longer, and I might
have to search for you in
outer space.

Back

You're ticklin' me while I'm rowing? Do you really think I can't free my hands to get back at you?

Back

A whimsical garden scene featuring a boy and a girl standing on a wooden bridge over a pond. The boy, on the left, has dark, wavy hair and is wearing a dark purple suit with a white shirt and a dark bow tie. The girl, on the right, has long, straight black hair and is wearing a light purple strapless dress with white gloves. They are both looking at each other. The bridge has a light blue railing with white flowers and purple ribbons. In the background, there is a large green tree, a blue sofa with purple cushions, and a small boat. The scene is set in a lush garden with various flowers and greenery.

We always take turns
dreaming up fun. Then we'd
pull the other person into
our schemes.

Back

Many people associate wind chimes with summer. Do you do that too?

Back

What do you wanna eat
after we're done? An
amazing event like this
deserves a delicious plate of
braised chicken wings.

Back

You're captivated, huh. If you like it that much, I'll make you a miniature model to keep on your desk.

Back

Your interest in models has quite a range, huh? From airplanes to fountains...

Back

I unlocked the fountain modeling skill only recently. 🍷

Back

Besides, I have to keep
expandin' my repertoire to
stay interesting for you.

Back

Our vows will guide us to
the summers we'll share.

As a ceremony planner, I
need to study your
perfectionist approach to
art.

Back

Where's the waterway? The fish, shrimp, and crabs are gonna protest!

Back

Oh. So it's an ocean exclusive.

Should we try to use other methods to get around? A tandem bicycle would be perfect.

Back

I think we're one step away
from becoming
photography masters.

Back

Hmm... I think I just heard
someone hint at wanting to
take more pictures together
in the future.

Back

Do you think ice cream parlors under the sea would serve crayfish, hairy crab, and octopus ice cream?

Back

When you pick out a spot for the shop, let me know. I need to prepare the sea creatures for their new career path.

Back

I'm holding your hand. The chances of us getting separated are basically 0%.

Back

Is the heart on this sofa
romantic enough for you?

Back

Why don't we match its
theme and use our hands to
make hearts?

Back

Whenever we're on a boat,
it's because of extraordinary
circumstances.

Back

I think it's more accurate to say that everything becomes extraordinary when I'm around.

Back

There are so many places to visit. I don't know where to start...

Back

A whimsical garden scene featuring a wooden boat on a pond. A chibi boy with purple hair and a chibi girl with black hair are standing on the boat. A speech bubble is positioned above them. The background includes a large green tree, a white sofa with a pink heart cushion, and various colorful flowers and plants. The scene is set in a lush, green environment with a blue sky and a body of water.

Rafayel, do you have any special techniques for choosing destinations during your underwater adventures?

Back

A whimsical garden scene featuring a boy and a girl standing on a wooden bridge over a pond. The boy has purple hair and is wearing a light grey jacket over a dark shirt and pants. The girl has long black hair and is wearing a white dress with a grey bow. They are surrounded by lush greenery, including a large tree, a pink heart-shaped cushion on a sofa, and various flowers. A speech bubble from the girl contains the text: "Asking me was the best choice. My technique is a little complex, though. To put it simply...". A "Back" button is located at the bottom of the screen.

Asking me was the best choice. My technique is a little complex, though. To put it simply...

Back

I go with the flow.

Back

This is...

A mysterious wind chime
that records and stores the
sounds of memories. You
can only hear it after 100
days.

That sounds like a certain
little conch from fairy tales.
It lets you hear the ocean.

The ocean has countless sounds, but my voice is one of a kind.

Remember to check it after
100 days to hear an
exclusive surprise from me.

For wind chimes, the wind is
their ocean.

Back

Is it weird to have a pair of wings?

Back

What if I told you I already
had wings?

Back

You do?!

Back

Of course... not.

Back

Why is the fountain this big?
Someone might mistake it
for a bathtub...

Back

Before any vows were made, our hearts already belonged to each other.

Back

You're not planning to sneak in any little surprises during the vow rehearsal, right?

What kind of surprises are we talking about? Like... a little fishie swimming out from behind your hair?

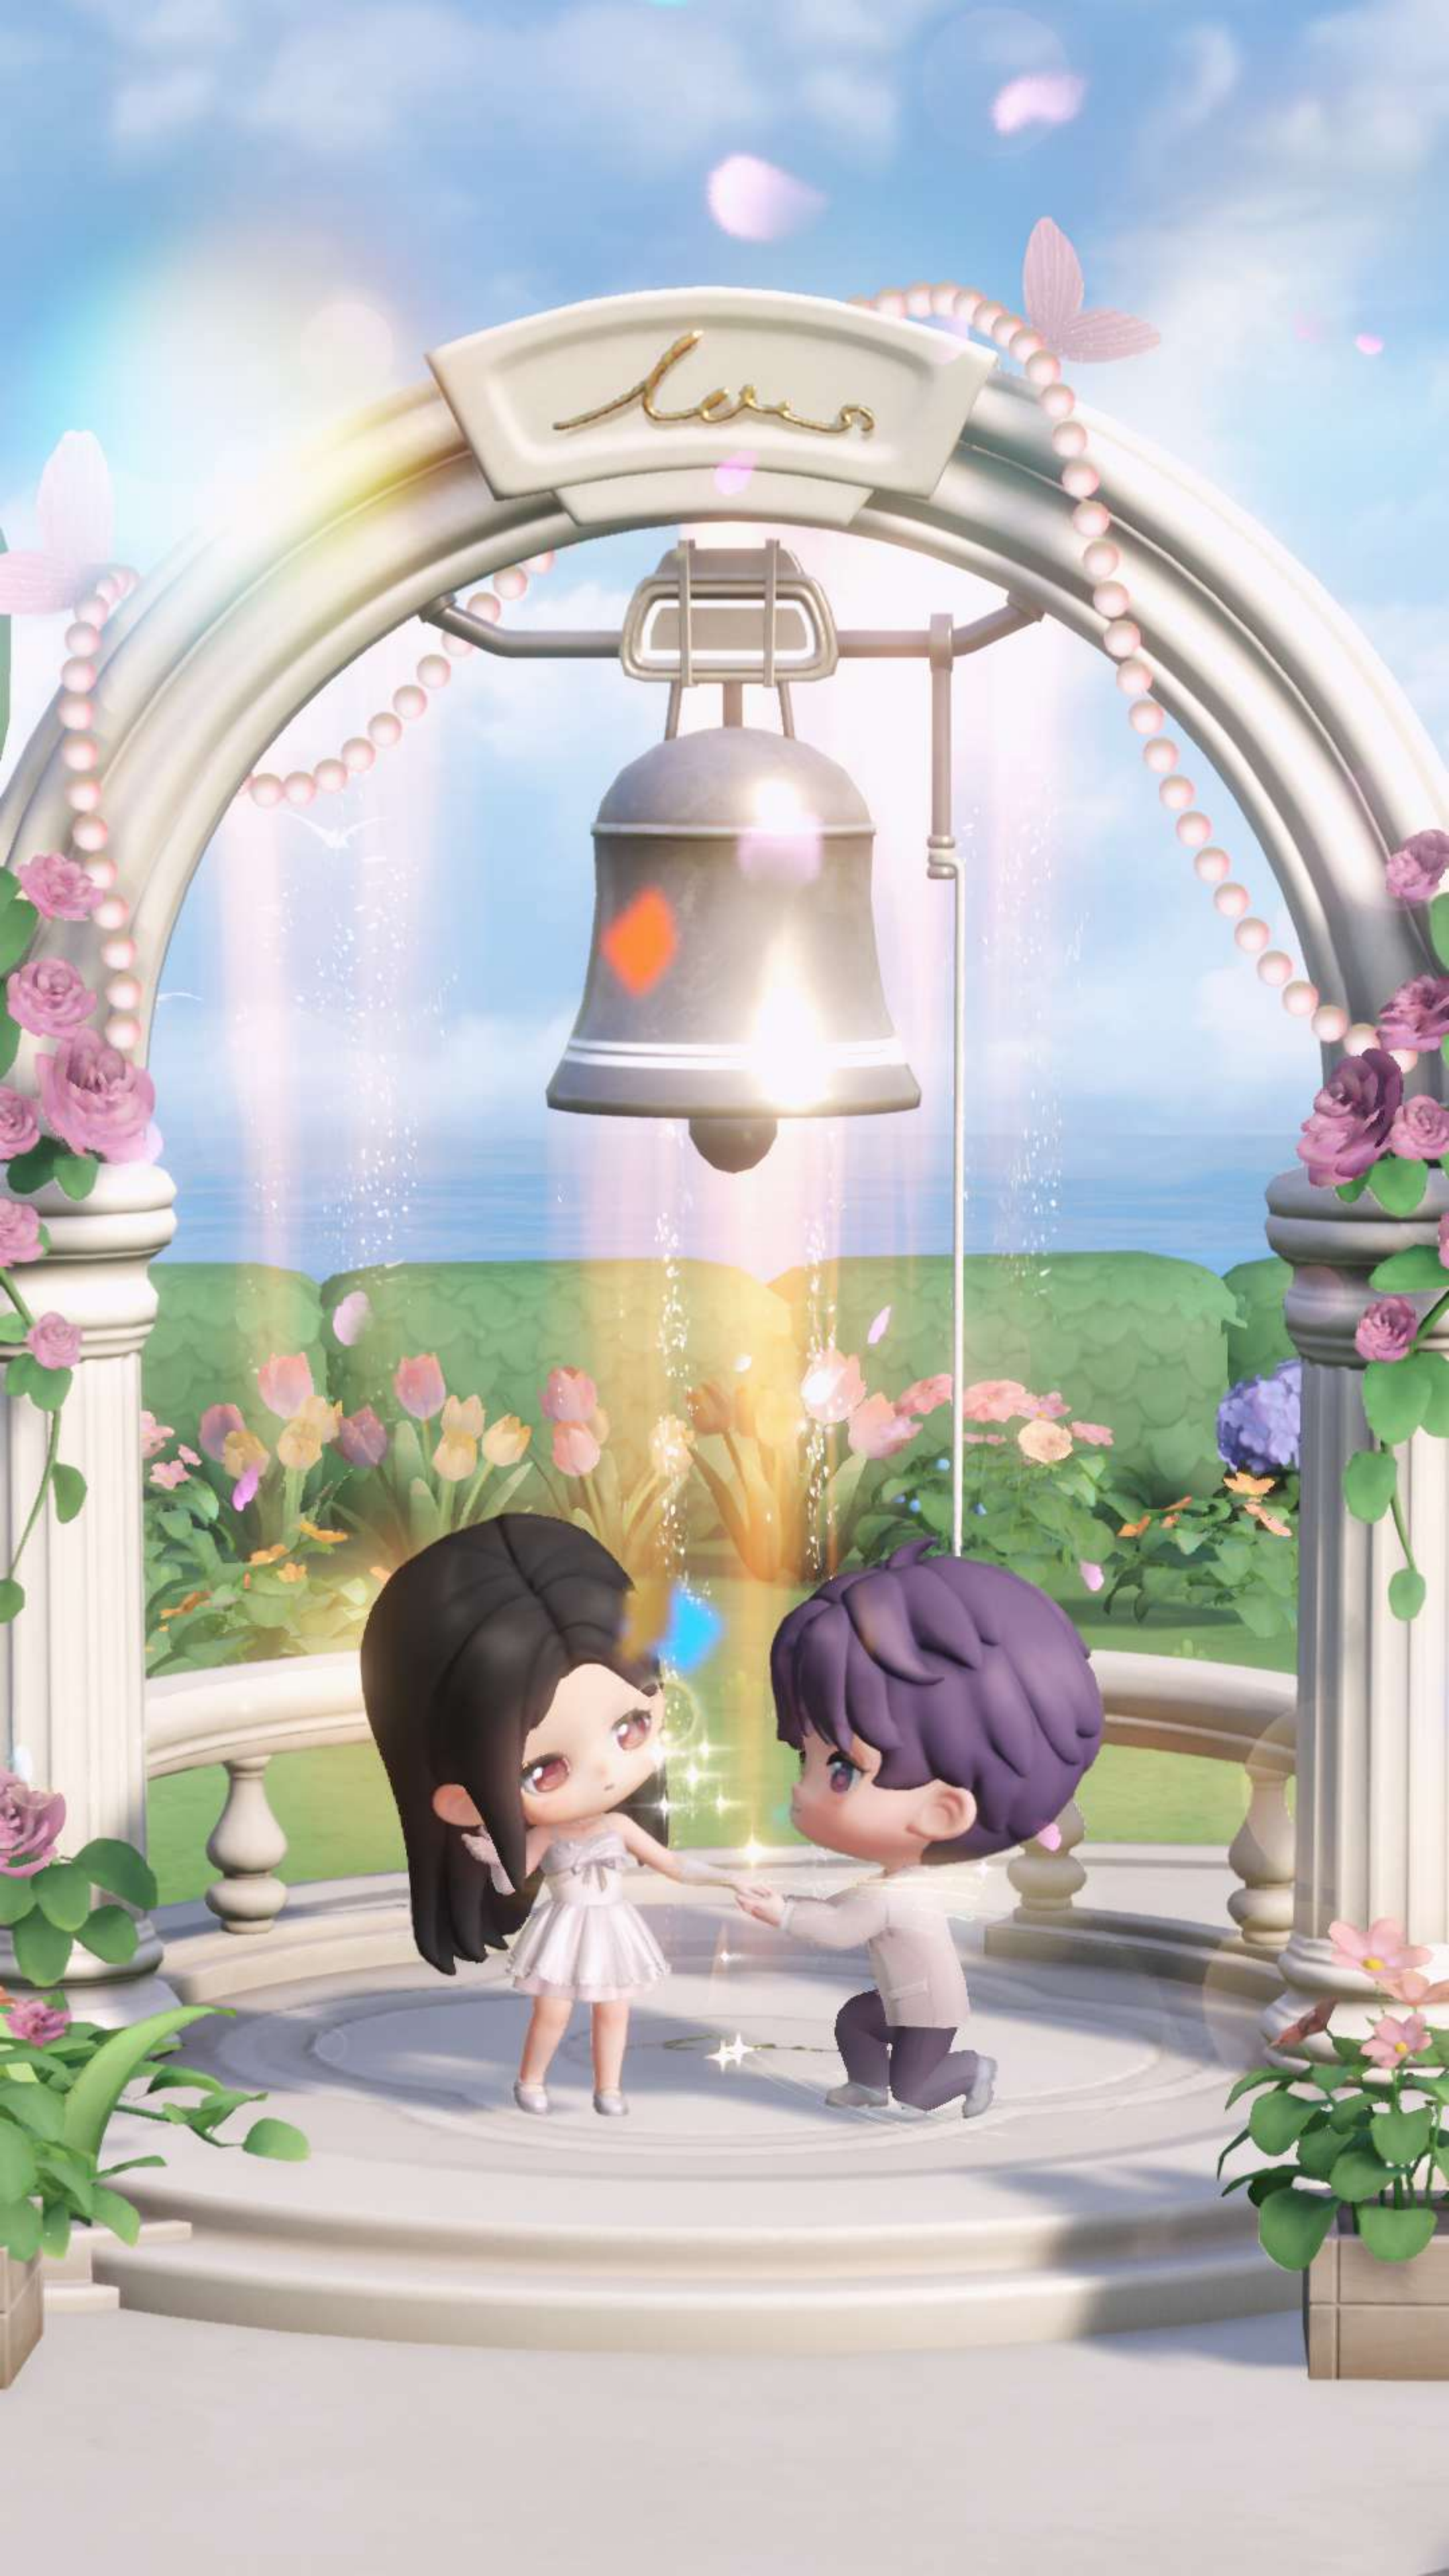

Well, that's because
someone always ends up
smiling with those beautiful
eyes.

This archway connects more than just the past and present—it includes our distant future as well.

Back

My approach to choosing music... I usually go with what feels right. If I can't decide, I leave it to you.

Back

Don't hold back. There are a lot more moments waiting to be unlocked by us.

Back

A vibrant, cartoon-style illustration of a garden. In the foreground, a boy with grey hair and a girl with long black hair are holding ice cream cones. They are standing next to a wooden cart decorated with balloons and flowers. The cart has a white canopy and is filled with various items. In the background, there is a large green tree, a white sofa, and a body of water. The scene is set in a lush green garden with various flowers and plants.

When the sunlight feels too harsh, we can rest in the shade under the trees.

Back

An ice cream cone only has one perfect tip, and that should be saved for someone special.

Back

We should be thankful there aren't any Fluffy Thistles here.

Back

If the balloons touched those thorns... This event would probably continue until the end of time.

Back

A simple balloon—

I heard that when couples who are in sync sit on this sofa, their heartbeats become amplified.

Back

Rumors aren't usually reliable.

Back

...Why did you put my hand
on your chest?

Back

But sometimes they're correct.

Back

This heart-shaped sofa gives off a different vibe when you sit on it...

Back

Thanks, you're quite impressive yourself.

Back

Is it too quiet? Should I hum
a "rowing song"?

Back

We can't keep the scenery to ourselves, but we can choose who we share it with.

Back

I'm used to erasing my traces once I leave a place, but the moments we've shared are an exception.

Back

If these wings flapped a little faster, they could double as a fan.

Back

...Why are you looking at me
like that?

Back

It looks almost like a volcanic eruption. But there's water instead of lava.

Back

Only you would think a volcanic eruption is as beautiful as a fountain.

Back

Didn't you use cola for a fountain before?

Back

We have unique interpretations for what constitutes a fountain.

Back

I just saw a bunch of birds appear. I hope they'll be happy here.

Back

We picked out the songs
that mean a lot to us. How
would it feel to play them
live on the piano?

The sheet music for this song shouldn't be too hard to find.

Back

Are you studying our

Back

It's an adorable heart-shaped sofa! I can't resist it no matter how hard I try. ♡

Back

A romantic scene featuring a young man and woman sitting on a light blue sofa. The man, with short grey hair and wearing a grey suit, has his eyes closed. The woman, with long black hair and a purple flower in it, wears a light purple dress and looks at him. They are seated on a light blue sofa with a white cushion, which sits on a grey circular base. Above them is a large, arched structure made of green leaves and white flowers, with several long, thin tassels hanging from it. The background shows a green, textured wall and a blue sky with white clouds. In the foreground, there is a green lawn with small pink and yellow flowers. A red button with the word 'Back' is at the bottom. In the top left corner, there are three icons: a back arrow, an exclamation mark, and a share icon.

But I didn't really see you resist.

Back

Weren't you just as happy
when I pulled you over to sit
with me?

Back

I wasn't trying to resist
either.

Back

There are a lot of balloons...

Back

If one balloon decided to sneak out to go on an adventure, we probably wouldn't even notice.

Back

My battery is fully charged.
Should we use up all that
energy today?

Back

This is...

Listen. The wind and the
wind chimes are like
partners with perfect
rapport.

Back

The view is amazing. It's a shame we can't see the potted plants on our balcony at home from here, though.

Back

I think there's a shark in the water. Do you see it?

Back

...The only thing I see is Xavier spouting nonsense because he's trying to scare me.

Back

I wonder if we can take these wings home.

Back

We should be able to after
the ceremony ends. You
seem to really like them.

Back

They're okay. What matters is that they can save some unfashionable clothes, especially those two in your closet...

Back

...You mean the white hoodie and sweater?

Back

They say that at midnight,
the statue in the fountain
transforms into—

Back

I knew you'd tell another
horror story.

Back

A vibrant, cartoon-style illustration of a garden. In the center is a three-tiered stone fountain with water cascading down. A boy with short grey hair and blue eyes, wearing a light blue suit, stands on the left. A girl with long black hair and a purple flower in it, wearing a light purple dress, stands on the right. They are both looking at the fountain. The garden is lush with green grass, various flowers (pink, blue, yellow), and large green bushes. In the background, there's a large tree with pink blossoms and a body of water under a blue sky. A speech bubble from the boy contains the text. In the bottom left corner, there's a large, stylized butterfly wing graphic. At the bottom center, there's an orange button with the word 'Back'.

I was going to say the fountain's statue transforms into a prince with a crown.

Back

Anyone who sees him will be
blessed with good fortune.

When two people sit close together on this sofa, they'll share a romantic dream. But if someone sits alone...

Back

They'll end up with a stiff neck.

Back

I can hold anything you can't carry. These items should be familiar with landing in my hands by now.

Back

Zayne, how would you rate
the sweetness of this ice
cream?

Back

It's slightly above average.

Back

Can you be more specific?

Back

It's so sweet that when you
don't want to eat it
anymore, I could still help
you finish it.

Back

According to the brochure,
this wind chime can produce
dozens of different tones.

Back

That sounds like an exaggeration. They probably wanted to make us spend more time here.

Back

A whimsical garden scene featuring a boy and a girl standing on a wooden bridge over a pond. The boy, on the left, has dark hair and green eyes, wearing a dark suit. The girl, on the right, has long black hair and is wearing a light blue dress. They are both looking towards the right. The bridge has a purple ribbon with white flowers draped over its railing. In the background, there is a large green tree, a blue sofa with purple cushions, and a green slide. A speech bubble from the girl contains the text: "Are you hungry? The snacks that can boost your energy are in the pocket closest to you." In the top left corner, there are three circular icons: a back arrow, a share icon, and an exclamation mark. At the bottom center, there is an orange button with the word "Back" in white text.

Are you hungry? The snacks that can boost your energy are in the pocket closest to you.

Back

The boat doesn't have a parasol. If the sunlight gets too strong, you can use my coat.

Back

Do you think we could break
a bunch of world records if
we had wings?

Back

Hmm... Perhaps we can start with "the limits of human imagination."

Back

A whimsical garden scene featuring a multi-tiered fountain with water spraying upwards. The fountain is decorated with purple and white hydrangeas. In the foreground, a young boy with dark hair, wearing a dark suit, stands on the left, looking towards the fountain. A young girl with long dark hair, wearing a light blue dress, stands on the right, also looking towards the fountain. The garden is lush with green grass, various flowers including pink roses and purple hydrangeas, and several large, rounded green bushes. In the background, there is a large tree with pink blossoms and a body of water under a blue sky. A speech bubble from the girl contains the text. In the bottom left corner, there is a faint, stylized illustration of a butterfly. In the top left corner, there are two small circular icons: one with a clock face and another with a share symbol.

You might catch a cold if
you get wet around the
fountain. I brought raincoats
as a precautionary measure.

Back

...Isn't that something only kids enjoy? Are you secretly a big kid, Dr. Zayne?

Back

It's slightly dangerous for
children. But it's perfect for
adults like us.

So, Ms. Coreene, would you like to participate in my childhood reminiscence plan?
